NORTH BAY TIP

An Apprenticeship Readiness Program

Find a Rewarding Career in the
Building and Construction Trades

Tuition Free!

Ask about stipends.

North Bay TIP is a Certificated Apprenticeship Readiness Program that will introduce you to apprenticeship in the many building and construction trades. This program will allow you to explore many trades and prepare you with the skills and confidence needed to successfully apply and enter a state registered trade apprenticeship that is right for you!

North Bay TIP increases the diversity of apprenticeship candidates by recruiting women, communities of color, veterans, transitioning adults and out of school youth.

WOMEN, yes you can do it!

The Union Advantage:

Great Wages, Health Care Benefits, Retirement Plans,
Superior Training, Employer Connections,
Pride and Dignity!
